MARCH 2011 LIST

See inside for valid dates

Dear Customer

New compilations of 'Collector's Editions' boxes from DG and Decca are always welcome. This month, we have 5 outstanding releases.

Mozart Piano Concertos are a cornerstone of any CD collection and this cycle features Alfred Brendel and The Academy of St Martin in the Fields with Sir Neville Marriner in 23 concertos (recorded 1970-84), with Imogen Cooper in the concertos for two pianos. Ingrid Haebler is soloist in Concertos 1-4.

All of the classic English Concert **Bach** recordings appear in a single box for the first time, including the 6 Brandenburgs, the 4 Orchestral Suites, the 13 keyboard concertos, the 3 authenticated violin concertos and multiple instrument concertos. Soloists include Simon Standage, Philip Pickett and Lisa Beznosiuk.

Similarly, all of Pletnev's acclaimed **Rachmaninov** recordings with the Russian National Orchestra are now available in a single box.

For **Gershwin** fans, an unparalleled collection of many of his most popular pieces from Rhapsody in Blue and An American in Paris to songs and overtures and a complete recording of Porgy and Bess.

Enter the magical world of **Rimsky-Korsakov** opera with five celebrated recordings from the Kirov Opera under Valery Gergiev: Kashchey the Immortal, Legend of the Invisible City of Kitezh, The Maid of Pskov, Sadko, and The Tsar's Bride – a unique set.

May we thank you for your continued custom and look forward to supplying your requirements.

The Masterclass Media Foundation DVDs

The Masterclass Media Foundation films and records world-class musicians giving masterclasses and teaching students, or discussing and analysing and demonstrating their own approach to the performance of works with which they are associated. Many of these classes will concentrate on just one or two movements from the works listed. These DVDs are All Region, NTSC format. The price reflects the length of the film.
