**Dear Customer**

*The Grosses Festspielhaus in Salzburg has been the scene of countless memorable musical events – operas, concerts and recitals – for 50 years. This month, DG has provided for us a unique chance to celebrate the glories of this distinguished era. In an exceptional collaboration with the Salzburg Festival, they have prepared a 25-CD box set – 5 complete operas, 10 concerts and 2 recitals – featuring many of the world’s greatest artists, in recordings with classical status and others that are appearing on CD for the first time. See page 2 for full details.*

*The outstanding concerts - five out of ten are first-time releases - are with Abbado, Bernstein, Böhm, Boulez, Karajan, Levine, Mehta, Muti, Solti. Soloists include Anne-Sophie Mutter and Jessye Norman. The Wiener Philharmoniker feature prominently and there are individual concerts with Berliner Philharmoniker, Chicago Symphony Orchestra and the Gustav Mahler Youth Orchestra.*

*Also included are two exceptional concerts with Alfred Brendel (first release) and the Martha Argerich/Nelson Freire duo-concert from 2009. The set includes new liner notes in English, German and French, and photos of the opera productions and artists contained in the 72-page booklet. A rare treat!*

*We look forward to supplying your requirements.*

This is humane, old-world music-making, and the performances are unhurried, although they never lack forward movement. The tonal blend and internal balance are impeccable. These readings are full of character, and their apt tempi and total dedication to the score are difficult to fault. They can be recommended alongside the very best and are accorded first-class sound that is as natural and well balanced as the playing." ***</i>

## Mailing of our monthly listing

Don't forget - we only mail each list to all customers who have ordered from us within the **previous 6 months**, which we think is a reasonable period within which to expect an order to be placed.

After this, the list will not be mailed unless we receive a further order.

However, the list is always available on our website to view or download.

## Preiser – complete label reduced

The titles listed below are in Preiser's *Lebendige Vergangenheit* (Legendary Voices) series. Here, Preiser has set new, high technical standards in the field of remastering and processing. The credo of series director Jürgen Schmidt is to create an authentic sound that is far more satisfying than that of recordings that have been clinically 'enhanced'. What you will not find in this collection are singers who owe their fame more to their lurid private lives than to the quality of their singing, or those whose voices have been preserved countless times on other labels. The catalogue series now features more than 400 titles and has become a reference collection for opera connoisseurs.

**Titles below – normally £9.95, now £8.95 or buy 3 or more for only £8.50 each.** All other Preiser titles also reduced – see website.
